

Microsoft, partnering with the [Technology Association of Iowa](#), invites you to join us for a **FREE DigiGirlz** event, which will be held **November 13th in Prairie Meadows – The Meadows Event Center Altoona**, for girls from **8th – 12th grade**. This event is prior to the [Iowa Women of Innovation awards dinner](#) that elevates and celebrates today's extraordinary women in the fields of Science, Technology, Engineering and Math.

Microsoft is proud to offer technology programs specifically for youth. One of our signature programs, DigiGirlz High for girls, works to dispel stereotypes of the high-tech industry.

During the event, the girls will interact with women in technology, participate in technology sessions and demonstrations, network, and learn with hands-on experience.

Space is limited. Please go to https://docs.google.com/forms/d/e/1FAIpQLSfbON_Y3-iUmUVBh82O2HLBEOfEvm6bvXx8p4cawoL3hw-SYA/viewform

to visit the TAI website which contains the registration form and link to the Microsoft waiver. Once your registration form is complete and you have submitted a signed waiver, your registration can be confirmed. REGISTRATION closes on November 2nd or when all spots are full.

TAI is inviting the girls to stay and attend the networking event from 5:00 – 6:00pm as well as attend the awards dinner from 6:00 – 9:00pm that evening. This will be a time to network with community professionals, sponsors and award recipients. If you would like to attend the dinner, please indicate that on your TAI registration.

Ashley Maroon
digigirlzregistration@executivevents.com if you have any questions.

Registration is complete once you have finished the Registration Form and once we have received a signed Waiver.
