Step 1: Get the Email

Keep your eyes peeled for the email in your inbox from support@securly.com.
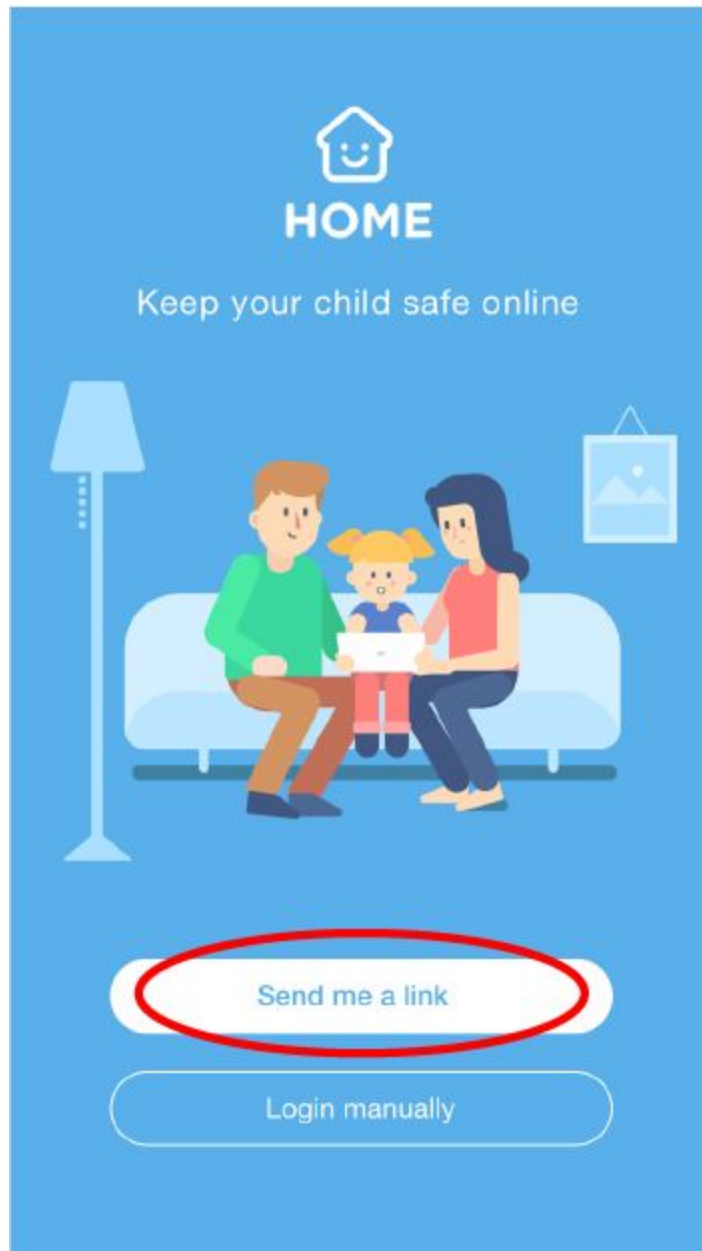

Step 2: Download the SecurlyHOME App

Get Parent Portal on the go. Real-time activity reports, right in the palm of your hand.

It only takes a couple of steps:
- Tap the white button to get started. A link will be sent to the email address you have registered with your child's school.
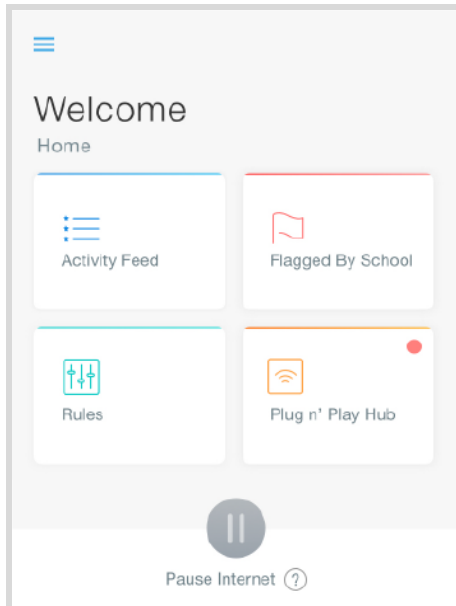

- Once you've clicked the link, you'll be taken to the SecurlyHOME App. Your account is ready to go! You'll start receiving weekly email updates about your child's online activity.
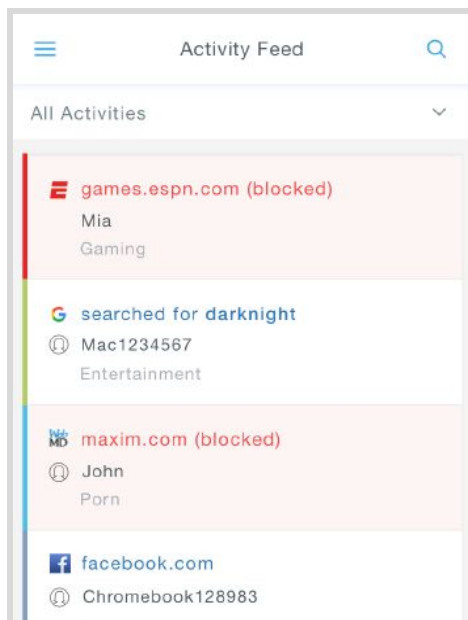

Step 3: Explore and Configure

SecurlyHOME lets you access your account information from anywhere, in real-time.
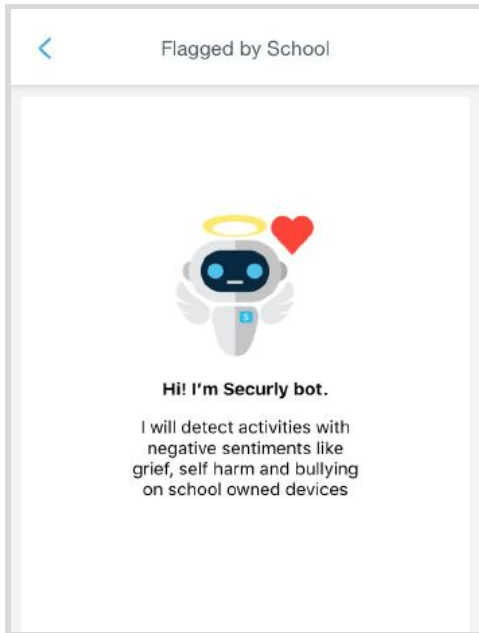

1. **Get Started**

Navigate and explore different views into your child's online safety.

2. **Activity**

Get a real-time view of your child's online activity.

3. Flagged Posts

Scans social media and web searches, and flags posts that indicate bullying, self-harm or suicide.

If you'd like to change from the school view, SecurlyHOME also lets you configure an at-home view.
