lesson in week) - \$ 285**

**About the program**

A curriculum that offers something for  
everyone-from the first steps on the ice to  
mastering advanced techniques. Coaches will  
evaluate the skaters throughout the session.  
Testing on the 6th week. We prefer pre-  
registration on our website to help us schedule  
class sizes and Coaches assignments. We are  
excited to offer our private lessons.
