

Beekeeping 101

Learn about the basics of Beekeeping!

Beekeeping can be a fascinating hobby, a profitable side venture, or a full-time occupation. You may want to keep bees for the delicious fresh honey they produce, for the benefits of their valuable services as pollinators, or perhaps simply for the enjoyment of learning more about one of nature's most interesting insects.

Join us as ISU Agriculture Specialist Zack Koopman presents the basics of beekeeping for the hobbyist and answers your questions.

This 2-hour Beekeeping 101 course is designed to introduce the basic fundamentals of beekeeping and help attendees decide if the hobby is right for them. Cost is \$15.
