Engage all students in learning a challenging curriculum delivered through quality instruction.

Learn. Lead. Live.

Success for college, career and civic life.

www.southeastpolk.org
Welcome From the Southeast Polk Public Schools Early Childhood Staff

Dear Families,

We are looking forward to a successful year growing with you and your child in our SEP Early Childhood Program. Southeast Polk’s Statewide Voluntary Preschool goal is to provide high quality preschool that meets each child’s needs, including children with disabilities and those from diverse backgrounds.

Little Rams Preschool provides a rich learning environment that encourages children's natural curiosity and supports them to take risks that lead to new skill development. It is a setting where children feel safe, respected, and cared for. This is an opportunity for children to take part in planned, active learning experiences to build their readiness skills.

Little Rams Preschool has adopted and meets the Iowa Quality Preschool Program Standards, administered by the Iowa Department of Education. The Iowa Early Learning Standards are used to guide expectations for the children and instructional practices. The maximum class size is 20 children in each session. Teaching staff includes a full-time certified teacher and a classroom associate. This combination of staff allows for a 1:10 staff ratio to be maintained at all times to encourage adult-child interactions and promote activity among children.

We believe the SEP Early Childhood programs enjoy their good reputation largely because of the support of our families. Your participation is the key to the success of our programs. We welcome your involvement, in fact, we encourage it!

We have prepared this Early Childhood Parent Handbook for your information. The handbook should answer most of your questions. If you have additional questions, please contact your child’s teacher or classroom staff.

Our doors are always open to you. Feel free to call or stop by to visit the classroom.

Sincerely,

Southeast Polk Early Childhood Program Staff

Regular meetings of the board are held on the third Thursday of each month, starting at 5:30 p.m. A work session is held on the first Thursday of the month. Meeting locations, agendas and minutes are posted on the district website, www.southeastpolk.org

## DISTRICT COMMUNICATIONS

- **UNIFIER** – Monthly electronic newsletter, distributed district and community-wide with district news and highlights.
- **Digital Backpack** – The digital backpack allows the district to distribute school and community information electronically to parents, staff, and students. The backpack can be found at southeastpolk.org and is updated daily.
- **Campus Messenger** – e-mail, text, and phone tool used with Infinite Campus to share information with parents and students. Parents can set their contact preferences.

Southeast Polk Little Rams Preschool Parent Handbook

Updated 5/10/2017
WELCOME TO PRESCHOOL!

PHILOSOPHY OF EDUCATION

We believe:

- Student learning is the most important element of society.
- Students learn best in a safe and caring environment.
- Innovative learning activities and various teaching strategies enhance learning.
- Respect for diversity develops tolerance within the school and our society.
- Effective learning produces life-long skills.
- Children learn by engaging in a variety of play opportunities.
- Leaders follow best practices for all students.
- Teaching the importance of citizenship benefits the school and the community.
- Memorable and enjoyable activities foster learning.
- School, home, and community cooperation facilitates and reinforces learning.

INCLUSION

The preschool program is for all children including those with disabilities and unique learning needs. Modifications are made in the environment and staffing patterns in order to include children with special needs. Staff members are made aware of the identified needs of individual children and are trained to follow through on specific intervention plans. It is the district’s belief that inclusion enriches the educational experience for teachers, students, other children, and their families. The preschool facilities meet Americans with Disabilities Act accessibility requirements.

TEACHING AND LEARNING

Curriculum is a framework for learning opportunities and experiences. It is a process by which learners obtain knowledge and understanding, while developing life skills. It is continually revised and evaluated to make learning fun and exciting.

It is the policy of the Southeast Polk district that curriculum content and instructional materials reflect the cultural and racial diversity present in the United States and the variety of careers, roles, and life styles open to women as well as men in our society. One of the objectives of the total curriculum and teaching strategies is to reduce stereotyping and eliminate bias on the basis of gender, race, ethnic origin, religion, and physical disability. The curriculum shall foster respect and appreciation for the cultural diversity found in our country and an awareness of the rights, duties, and responsibilities of each individual as a member of a multicultural nonsexist society.
Southeast Polk Early Childhood programs embrace and assess the six areas of the Iowa Early Learning Standards. Our Early Childhood curriculum is literacy based and is designed to provide young children with many ways of playing and interacting with others and the learning environment. Our teachers use Creative Curriculum, Houghton Mifflin, Second Step and PBIS as well as current research to help us meet the needs of our diverse population. By following the standards listed, we are ensuring that all children receive a comprehensive and developmentally appropriate experience.

**Social and Emotional Development**
- Self
- Self Regulation
- Relationships with Caregivers
- Peer Interactions
- Awareness of Community

**Physical Well-Being and Motor Development**
- Healthy and Safe Living
- Play and Senses
- Large Motor Development
- Fine Motor Development

**Approaches to Learning**
- Curiosity and Initiative
- Engagement and Persistence
- Problem Solving

**Communication, Language and Literacy**
- Language Understanding and Use
- Early Literacy (reading readiness)
- Early Writing

**Mathematics and Science**
- Comparison and Number
- Patterns
- Shapes and Spatial Relationships
- Scientific Reasoning
- Scientific Problem Solving
- Measurement

**Creative Arts**
- Art
- Music, Rhythm, and Movement
- Dramatic Play

**CHILD DEVELOPMENT ASSESSMENT**

It is the district’s belief that assessment of young children should be purposeful, developmentally appropriate, and take place in the natural setting by familiar adults. The results are used for planning experiences for the children and to guide instruction. Assessment will never be used to label children or to include or exclude them from a program. A family’s culture and a child’s experiences outside the school setting are recognized as being an important piece of the child’s growth and development. All results will be kept confidential, placed in each child’s file, and stored in a secure filing cabinet.

SEP Early Childhood Programs use the Teaching Strategies GOLD® tool to assess each child’s development. It describes the pathway, or progression, of how children develop and learn. This tool allows teachers to use authentic, ongoing, observation-based assessment.

*This kind of assessment simply means that we will:*

- observe your child during regular, everyday activities on a continuous basis;
- document what we see and hear;
- take notes, collect samples of your child’s drawings and writing attempts, or take photos or video clips;
- compare the information collected to research-based, widely held expectations for children of similar ages or grades; and
- use the information to support your child’s learning and meet his or her individual needs.
DAILY ACTIVITIES

A consistent daily schedule is planned to offer a balance of learning activities. Learning is both formal and informal. Play is planned for every day. Listening is balanced with talking, group activities with solitary time, indoors with outdoors, quiet play with noisy play. Each child will have the opportunity for the following types of activities every day:

- Large group, small group, and large motor/outdoor activities
- Self-directed, purposeful play and individual activities
- Literacy (story time, alphabet recognition, phonics)
- Learning centers: Art, Science/Discovery, Literacy (writing table, books, listening center), Math Manipulatives, Blocks/Construction and Dramatic Play
- Snack
- Weekly lesson plans posted in the classroom and newsletters sent home show how activities are incorporated into the daily schedule.

HOURS

Little Rams Preschool meets on Mondays, Tuesdays, Thursdays, and Fridays. Students do not attend on Wednesdays. This allows for parent meetings and home visits, planning time and professional development training for the teaching staff, and collaboration with community agencies. The morning session is 8:30-11:30 a.m., and the afternoon session is 12:30-3:30 p.m., although times may vary slightly by building. Start date is the Tuesday following Labor Day. Little Rams Preschool follows the Southeast Polk District school calendar.

ENROLLMENT AND FEES

Little Rams Preschool is for children who are three or four years old by September 15 of the current school year. There is no cost for four-year-olds to attend. Slots for three-year-olds are limited. The monthly rate for three-year-old students is $200. Parents approved for their three-year-old to attend Little Rams, and who would have difficulty paying the monthly fee, may contact Jackie White (957-5664) for scholarship information. Tuition can be paid online via Southeast Polk's RamMall. Tuition is due by the 10th of each month.

Applications for the following school year typically begin in late January. Application materials are available from the registrar and the district website. Once a spot is secured, you will be contacted by the registrar with registration paperwork. Class assignment information will be available and sent out mid-summer.

Prior to enrollment, the following is required:

- Proof of age (birth certificate)
- Updated record of immunizations (see page 13 for more info)
- Physical form (must have had a physical within previous 12 months)
- Directory Information Form (Photo Release/Field Trip Permission)

Parents MUST contact the school office to update contact information that changes. For more information please contact the registrar, Susan Howard at the Southeast Polk Central Education Center (967-4294).

ATTENDANCE AREA

Students will be assigned to buildings and preschool classrooms according to Board Policy 501.5. It is possible students may not attend the school closest to their residence. Adjustments are made to ensure appropriate class sizes.
HOME TO SCHOOL TRANSITION MEETING

Teachers use a variety of ways to become acquainted with and learn from families about their family structure and their preferred means of child-rearing practices and communication; and information about their socioeconomic, linguistic, racial, religious, and cultural backgrounds as they wish to share. To help the teacher get to know your child, a home visit is scheduled before the start of the school year. This is a chance for you to ask questions about the classroom and the preschool program, and helps the child feel more comfortable on the first day of class.

PARENT ADVISORY COMMITTEE

Little Rams Preschool has an advisory committee composed of parents, school staff, and community members interested in the preschool program. This group meets two to three times each school year to provide feedback and serve as a sounding board for new ideas. At the beginning of each school year, parents are provided information about the committee. Please contact your child’s teacher if you have an interest in serving on this committee.

PRESCHOOL COMMUNITY PARTNERS

Little Rams Preschool partners with local organizations to provide students and their families with varied experiences in the classroom and beyond. Community partners may visit preschool classrooms to provide enrichment activities and participate in family night events.

PROGRAM ASSESSMENT

Little Rams Preschool implements the Iowa Quality Preschool Program Standards, and receives evaluation from the Iowa Department of Education to confirm we are meeting these standards. The evaluation process includes gathering evidence from all areas of program functioning, and results are shared with families, staff, and appropriate advisory and governance boards. We also use the information to plan professional development and program quality improvement activities.

CHILD OUTCOMES

- Children will show competency in social/emotional, physical, cognitive, and language development skills.
- Children will be enthusiastic and curious learners.
- Children will be safe and healthy.

FAMILY OUTCOMES

- Families will feel welcome in the classroom and school.
- Families will work with the school in a meaningful partnership to help their children be better prepared to learn to read and write.
- Families will advocate for their children.

STUDENT & FAMILY SUPPORT SERVICES

- **Orchard Place Child Guidance Center**: Individual counseling for elementary and secondary students at school during the day. Available for families regardless of insurance. 246-3514
- **Student Assistance Program**: Confidential and caring help for students and immediate household members experiencing personal and/or family problems, through Unity Point Health System. Contact the high school guidance office for more details, or call Unity Point Health System to schedule an appointment at 263-4004.
- **Ram All*Star Program**: Provides preschool scholarships to income-eligible families. These scholarships can be used to attend private, community preschools or the three year old program at Southeast Polk. This program is funded through Early Childhood Iowa. 957-5664
- **Caring Hands Outreach Center**: Food Pantry and Clothes Hanger Assistance Programs. 201 9th Street NE, Altoona. Open Mondays/Wednesdays 4-6 p.m. and 1st & 3rd Saturdays, 9-11 a.m. Limit one visit per month. Please bring proof of address and ID. 967-4533

SCHOOL NUTRITION PROGRAM

SNACKS AND LUNCH

All children participating in Little Rams Preschool receive a snack each day covered by grant funding. In addition, students who attend preschool at Mitchellville Elementary may participate in the school lunch program.

Southeast Polk Little Rams Preschool Parent Handbook

Updated 5/10/2017
School meals are designed to supply the proper nutritional levels and calories for each age group. At lunch, there is always a protein source, fruits, vegetables, milk and many whole grains are offered.

A family meal account has been established for all district households. All household members (students and staff) will utilize one account for participation in the breakfast and lunch program. To manage your account online, go to lunch.se-polk.k12.ia.us – you will need your username or family number and password.

The maximum charging limit on a family account is negative $12.50. Once an account reaches that limit and a Preschool-8 student comes to school with no lunch from home, an alternate lunch of a peanut butter or cheese sandwich and a milk will be served the student and the account will be charged $.75. After this happens two times, the building principal or their designee will contact the parent. At the high school, once a family account reaches the maximum charging limit of $12.50, the student will be asked to pay cash for their lunch – no charging will be allowed.

To become eligible for free or reduced price meals, families must annually complete and return to the school an Iowa Eligibility Application (one per family). These applications are available each year by August 1 online at the food service page of the district website and at every school office. Applications will be processed as quickly as possible and the family will be notified of the outcome by a letter or email. If families are receiving food assistance, their children may be directly certified for free meals – they will receive a letter to let them know this. In which case, they do not need to fill out an application. Free and reduced eligibility is strictly confidential – no one can tell as students go through the serving line. The point of sale computer will be able to identify the student as receiving free meals and will not charge them for lunch meals. Students who qualify for reduced-price meals must have money in their accounts to cover their reduced-price lunch.

For any questions or concerns about the school nutrition program, please call the Director of Food & Nutrition Services at 957-3431 or the Administrative Assistant at 957-3432, or email at foodservice@southeastpolk.org.

**DIET MODIFICATION REQUESTS**

If you have a student who needs a special diet, go to the district website to download the Disability/Medical Condition Statement for Food Served through School Nutrition Programs (Diet Modification Request) form. Once completed, submit the form to your school nurse.

No special diets or substitutions will be made unless this form is properly completed and approved by the Food Service Director. Substitutions must be made if the licensed physician says the student has a disability. If the medical authority says it is a medical condition, not a disability, providing the substitution is at the discretion of the school district.
ROOM PARTIES

Room parties may be scheduled during the school year. Room parents may be asked to assist in making plans for the party games and refreshments. Again, treats must be individually-wrapped, store-bought items. Gifts are not exchanged by students.

PARTY INVITATIONS

Party invitations may not be distributed at school unless ALL children (or ALL boys or ALL girls) in the class receive one. Neither the office nor the teacher will provide addresses or telephone numbers.

BIRTHDAY TREATS

Many children like to bring a birthday treat to school. While it isn’t necessary to send anything at all, if you do, treats must be individually-wrapped, store-bought items or whole fruits (see “Distribution of Home-Baked Goods”, page 13). Please do not send gum as a treat. For children whose birthday occurs when school is not in session, they may set a date with the teacher sometime before school is out if they wish to bring a birthday treat.

FLOWER AND BALLOON DELIVERY

Schools will not accept flower and balloon deliveries for students. The florist will be asked instead to deliver orders to the student’s home. Please remember to have such gifts delivered to the child’s home.

GIFTS FOR TEACHERS/STAFF

The district discourages gift giving. Students should never feel obliged to give gifts to their teachers. Some parents cooperate with others to purchase a book or a recess game for the classroom. Such gifts benefit all of the students.

PETS

No live animals are to be inside preschool classrooms at any time. Permission must be granted by the teacher or principal before any pet may be brought to school. Pets and other living creatures (besides kids!) are not allowed on the bus, so other arrangements will have to be made for transportation. If the teacher approves, pets may be brought for a short sharing period and then returned home. Pets or visiting animals must be in good health and official documentation must be provided to prove the animal has had full immunizations and is appropriate for contact with young children. Options will be provided for children who are allergic to the type of visiting animal.

STUDENT SECURITY

We need everyone’s cooperation for the safety and security of all children:

- The dismissal plan on the registration form will be followed unless the school receives a note or phone call.
- Due to the number of children a teacher is responsible for at dismissal time, individual children cannot be walked by a teacher to cars parked away from the school. It is the parent’s responsibility to get the child from the dismissal area where the teacher is located outside (or just inside the building if there is inclement weather).

TOYS, MONEY AND VALUABLES

Because the preschool program provides ample toys and learning materials for your child, we ask that you limit toys brought from home. If your child brings an “attachment” item from home, we ask that it is small enough to fit inside his/her backpack or cubby.

Toys, trading cards, playground equipment, etc. brought to school may become lost or damaged. Students must obtain permission from the teacher before bringing any items. Baseballs and other hard balls are potentially dangerous and must be left at home.

Valuable items brought to school sometimes disappear. For this reason, students should not bring more money than needed for lunch or supplies, and extra money should be given to the teacher for safe keeping. Any money brought to school should be put in an envelope with the student’s name and the purpose for the money written on the envelope.

Radios, iPods, cameras, electronic games, and other high tech items are too expensive to be brought to school and then become lost or damaged. They may also serve to distract from the educational process. We ask that these items be left at home.

Lost or stolen items are not the responsibility of the school.
CHEWING GUM

Students may not bring gum to school.

FIELD TRIPS

Notes describing field trips are sent home by the classroom teacher. Parental permission is given on the registration form.

STUDENT DRESS INFORMATION

Your child will be learning through creative, active play that can sometimes be messy. While we encourage the use of paint smocks or shirts during art projects, we can’t guarantee spills or stains will not occur. All families are asked to provide an extra set of clothing for their child in case of an “accident” or messy play.

In order to make sure children can play comfortably outside, it is important your child be dressed in layers according to the weather. Hats, mittens, and boots should be worn in the winter for outside play. Because neither snowboots nor socks alone are allowed to be worn in rooms, street shoes are needed for inside wear. Please mark all boots, gloves, caps, coats and gym shoes with your last name, so that lost items may be returned.

Parents are encouraged to bring a hat or other clothing for children to wear as another protection from the sun, and encouraged to apply sunscreen or sun block with UVB and UVA protection of SPF 15 or higher to the child’s exposed skin.

DISTRICT RESPECT CODE

At Southeast Polk Community Schools . . .

- We respect ourselves, others, property and class time.
- We strive to be and do our best.
- We treat others the way we want to be treated.
- We respect the property of the school and others.
- We respect the right of teachers to teach and learners to learn.

ATTITUDE, BEHAVIOR and DISCIPLINE

Learning is directly dependent upon children’s attitudes toward the task of learning. Children excited about learning and focused on getting along with others will do their best in school.

All eight Southeast Polk Elementary Schools are participating in PBIS, Positive Behavior Interventions & Supports, to help guide students to success by creating a positive, safe, and nurturing learning environment. At Southeast Polk all Elementary Schools follow the Rams Way:

**Respect**
**Always Responsible**
**Manners**
**Safety**

What is PBIS?

PBIS is a systematic approach for achieving social and academic goals while preventing problem behaviors with ALL students.

Purpose of PBIS...

The purpose of implementing a PBIS System is to establish and maintain a safe and effective school environment that maximizes the academic achievement and social-emotional-behavioral competence of all students.

Components of PBIS...

- Common approach to discipline
- Positively stated school-wide expectations for all students and staff
- Consistent use of an acknowledge system and consequence system
• Procedures for monitoring and evaluating the effectiveness of the PBIS System on a regular and frequent basis
• Led by a leadership team at each school and implemented by all staff
• Behavioral expectations are taught to students

Why Teach Expectations?
• If a child doesn’t know how to read -- we teach them.
• If a child doesn’t know how to swim -- we teach them.
• If a child doesn’t know how to multiply -- we teach them.
• If a child doesn’t know how to drive -- we teach them.
• If a child doesn’t know how to behave -- we ...

Guiding Principles of PBIS
Academic achievement and appropriate behavioral skills are the results of school, staff, and families working together to provide a continuum of support for all students. A continuum of academic and behavioral support includes:

• School-wide instruction for all students (Core Instruction)
• Instructional interventions for students who are at risk for academic or social and behavioral problems (Supplemental Instruction)
• Individualized instruction for students with intense or chronic academic or behavioral problems (Intensive Instruction)

Making School Pleasant and Safe

(Bus info. pertains only to preschool students who have IEP’s and Mitchellville students who qualify: )

BUS RIDING POLICIES More info. may be obtained by calling the Dir. of Transportation, 967-3793.

Riding a school bus is an important aspect of the school day for many Southeast Polk students. Riding a school bus is a privilege which can be terminated for students who cannot abide by the school bus regulations.

If a problem occurs (depending upon its seriousness), the driver will first try to solve it with the student and his or her parents. In order to improve communication, “School Bus Report” slips are available. The driver may send home a First Notice slip informing the parent of the problem. The parent is to sign and send the slip back to the driver.

The driver may also involve the building principal by giving a copy of the First Notice slip or by writing a Second Notice slip explaining the problem to the principal. The principal must be given time to speak with the student and parents to solve the problem.

As a further safety measure, the district has installed a “black box” in every bus. The box contains a video camera which may be used at any time in a bus. When the behavior on a bus warrants, the bus supervisor provides tapes for the principal to view in order to take appropriate action.

BUS ROUTE POLICY

Bus drivers operate on a regular schedule, although they may deviate from this schedule because of road conditions or weather. Students need to be ready, watching and waiting for the bus five minutes early. If a bus must wait for someone, it is off schedule for the rest of the route. It is the recommendation of the State Department of Pupil Transportation and district policy that the bus NOT wait for students. If a student is not riding, the driver should be signaled to go on.

BASIC RULES FOR BUS RIDERS

1. Remember, the bus is an extension of the classroom.
2. Always follow the driver's instructions the first time.
3. Remain seated while on the bus.
4. Keep noise to a minimum. Use "indoor voices" and do not yell out the windows.
5. The use of profanity, name-calling and disrespectful gestures is not permitted.
6. For your safety, keep all parts of your body inside the bus.
7. Do not eat or drink on the bus (including candy and gum).
8. Treat the school bus with respect. Put litter in the trash can. Any damage to the bus will be billed to the parent or guardian.
9. Do not fight, horseplay, push, or throw things on or around the bus.
10. The bus driver reserves the right to confiscate any electronic device that causes a distraction or disruption on the bus. The item will be returned at a later time.

**RECOMMENDED HEALTH PROCEDURE**

In order to promote, maintain and restore health, these basic principles regarding ill students should be followed:

1. A student dismissed from school because of illness should remain indoors and under observation for 12 hours.
2. A student with a fever of 100.6 or greater must remain home until their temperature is normal for 24 hours without fever-reducing medication. (i.e.: Tylenol, Motrin)
3. A student who has been vomiting or having diarrhea needs to remain home for 24 hours after the last vomiting or diarrhea episode. This will help eliminate children returning to school while still ill.
4. The regulations set by the Iowa Department of Public Health are the guidelines used to determine exclusion and re-admittance of students with communicable diseases. (See below.)
5. Head lice is a concern we see each year. Please observe your child’s head for lice. If your child does contract head lice, please notify the school nurse, who can help you with treatment protocol. Parents should assume that lice are present where children are, and should screen their own children on a weekly basis. If head lice are detected, an information packet for treatment will be sent home and parents will be notified. One of the best preventative for lice outbreaks is early detection by alert parents and staff members.
6. For the safety of students and staff, all personnel will implement universal precautions when providing health care to any individual. Recommended procedures are as follows:
   - Good hand washing practices will be observed when administering health service to any individual.
   - Disposable gloves will be utilized when handling any body fluids.
   - Students will be encouraged to handle the initial care of minor injuries when possible.
7. The disease Reye’s Syndrome can affect children from infancy through adolescence. After a viral infection, (such as chicken pox, upper respiratory illness, and influenza) has seemingly run its course (3-7 days), the following symptoms should be treated as serious and as possibly the first indication of Reye’s Syndrome: persistent or continuous vomiting, listlessness, personality change, disorientation, and delirium or convulsions. Contact the doctor immediately if any of these symptoms are noted. Because of the association of aspirin with Reye’s Syndrome, parents should consult their doctor before giving aspirin to their child.
8. All children should be closely observed for skin rashes or sores, since illnesses that cause rashes or sores can be highly contagious, i.e., scabies, ringworm, impetigo, etc. A doctor’s note or medication prescription label showing treatment is required before the child can be readmitted to school. Children with questionable rashes may be excluded from school at the discretion of the school nurse until seen by a physician and the condition is determined as noncontagious.
9. The school shall follow guidelines as established by the Department of Education and the Southeast Polk School District and/or the State Department of Health, regarding infectious disease.

**MEDICATIONS**

1. Per school board policy: Only medications prescribed by a physician will be given in school. This means that medications such as headache, cold and stomach remedies, cough medications, cough drops or any other drug purchased without a physician written prescription cannot be given unless accompanied by a physician order.
2. Medication must be brought in a container appropriately labeled by the physician or pharmacist or in the original container in which the medication was packaged. The pharmacy will, for a nominal charge, provide parents with a separately labeled bottle to send medication to school. All medications must be brought to and from school by the parent/guardian or an adult designated by the parent/guardian.
3. Medications will be kept in the nurse’s office and dispensed from there.
4. Written parent consent is required for administration of all medications at school. This form is available online by clicking on parents/students and then health and
wellness. Under the health and wellness click on medication and print the Medication Authorization form. This form is also available in the nurse’s office.

SEVERE ALLERGIES

If your student has a severe allergy PLEASE make sure you communicate the information to your school nurse. The school nurse will work with you to develop an individual health plan, and if needed an emergency response plan, for your student.

ACCIDENTS AND ILLNESS AT SCHOOL

When a child becomes ill or has an accident at school, we may need to notify parents. It is very important that the information on the registration card be as accurate and complete as possible. Parents should notify the school of any changes in information on the card from the beginning of school.

No child is sent home until arrangements have been made. In cases where parents cannot be contacted, the school will contact the name of the person designated on the registration card by the parent. If no one can be reached and in extreme emergencies, we will transport your child to the nearest physician or hospital by the most appropriate transportation available. All information regarding your child’s health will be shared with the necessary staff involved with your child unless otherwise specified.

IMMUNIZATIONS

Iowa state law requires that all children who are enrolled in an elementary school or preschool must have documentation of the necessary immunizations for childhood immunizations:

On the day of enrollment, parents must submit the necessary data to show that their child has completed his/her immunizations or qualifies for a provisional certificate (has received one dose of each of the required vaccines and is under medical care for completion of the necessary immunizations).

Medical and religious exemptions may be granted under certain conditions. The necessary forms for these exemptions, all immunizations and any further information may be obtained through your school nurse, the Polk County Health Department, Iowa State Health Department or your physician’s office.

TESTING AND PHYSICAL EXAMINATION

Hearing tests are conducted by audiometrists from Heartland Area Education Agency every year for preschool through 5th grade, and children with a recent history of hearing loss. Students who do not pass the initial screening will receive a second screening, and perhaps additional testing by an audiologist. Parents will receive a written report of test results only if abnormal, after the second stage testing. Please notify your school nurse prior to the screening dates if you do not want your child tested.

Beginning with the 2016-2017 school year, all incoming kindergarten and 3rd grade students are required to submit record of a completed vision screening to the school. Screenings should be conducted no earlier than one year before and no later than six months after the date of enrollment in both kindergarten and 3rd grade. Preschool students may have their vision screened through the local Lion’s Club in partnership with Iowa Kidsight and the University of Iowa. If your student needs a professional eye exam and you are unable to afford one, notify your school nurse for available resources.

The speech-language pathologist conducts communication adequacy screenings for students PK through 6th grade during the school year at a teacher or parent’s request. Parents or guardians will be contacted if there are any concerns about a child’s communication skills.

An annual health history update completed by a parent or guardian is required of all children entering preschool through 12th grade. In addition, an authorized health care provider’s examination is required of all children entering preschool, kindergarten and 7th grades. Students entering kindergarten and 9th grade will also be required to show verification of a dental screening. The state of Iowa also requires kindergarten students to have had a blood lead test.

Families without access to health insurance coverage for their children or who cannot afford to pay for a physical exam are encouraged to contact the school nurse or counselor.

DISTRIBUTION OF HOME-BAKED GOODS TO STUDENTS IS PROHIBITED

A board-approved administrative directive prohibits distribution of “home-baked” goods to Southeast Polk students in school buildings.

This district practice was initiated by the school nurses and approved by the school board some years ago following a request by the Polk County Health Dept. in response to a Hepatitis A outbreak in the metro area. The SEP Board of Education reiterated its desire to continue and maintain this practice the following year when it voted not to lift its ban of home-baked goods in school buildings. The directive is as follows:

- Students, parents, and staff do not bring home-baked goods to school for the consumption of students.
- Students and teachers do not bring home-baked treats or snacks for classroom celebrations, projects, etc.
- Cheerleaders (and others) do not bring home-baked treats for athletes and participants in other school events as spirit activities.
- Groups do not hold sales of home-baked goods for general distribution to SEP students and families.
- Only store-bought, individually-wrapped goods are to be used for these purposes. Only foods made in kitchens regularly inspected by state/county health departments are excluded from the “store-bought, individually-wrapped” requirement. Team potlucks are not affected by this policy, as they are attended voluntarily.

This practice is preventive. To date the district has had no known cases of Hepatitis A in our schools. Another way we may all cooperate in prevention efforts is to continue reinforcing the need for good hand washing, which is the single most important way to prevent the spread of all infections.

RECESS REQUEST

Parents sometimes request that a student stay inside during recess time. However, a child well enough to attend school should be well enough to participate fully in all school activities, including outside play. Requests to remain inside for recess must be accompanied by a doctor’s note. In addition, in the event of an injury, surgery, or other medical procedure or condition, it is requested that a medical release signed by the health care provider (MD, DO, ARNP, or PA) be turned into the school indicating the okay to return to school, recess or other activities.

TOILET TRAINING

Students not on an Individualized Education Plan (IEP) are expected to be toilet trained prior to the beginning of school. Teachers understand that accidents may occur, but school facilities are not designed for daily diaper or pull-up changes. If a student is not fully trained parents and teachers may work to develop a toileting plan.

DISTRICT ASSURANCES

CHILD ABUSE

Neglect, sexual molestation, emotional abuse and any non-accidental physical injury suffered by a person under 18 years of age as a result of acts or omissions by parents, guardians or persons legally responsible for the child, is child abuse. School personnel, such as nurses, teachers, counselors, and principals, are mandatory reporters of suspected child abuse to the Department of Human Services.

ABUSE OF STUDENTS BY SCHOOL EMPLOYEES

Legislation has specific guidelines pertaining to what will be considered acts of physical or sexual abuse by school employees, including inappropriate as well as intentional sexual behavior towards students. All such activities are clearly in violation of the policies of the Southeast Polk School District.

To ensure compliance, the superintendent, 515-967-4294, has been appointed as the district’s Level I investigator, with a designated Level II as his alternate. If the complaint is found to be without grounds, the Level I investigator can cause the complaint to be dropped. If legal action is required, or the incident comes under the auspices of the Department of Human Services, then the appropriate agency is notified. The investigator may also refer the case to the Level II investigator, as can another person if they disagree with the Level I findings.

TOBACCO-FREE AND DRUG-FREE

In an effort to provide a healthy, safe and productive environment in which to work and learn, the following board policies have been adopted:

- All district buildings and vehicles are tobacco free. This includes the school campus. No smoking is allowed outside of the buildings.
- Employees of the district are prohibited from the possession, use, or distribution of illegal drugs while on duty.

PARENTAL RIGHTS

As the parents of a child who is receiving the benefits of education in a public school, you have certain rights which are safeguarded by state and federal statute. You should know that:

RECORDS  - You have the right to:

Southeast Polk Little Rams Preschool Parent Handbook  Updated 5/10/2017
• Inspect and review your child’s educational records;
• Ask for an explanation of any item in the record;
• Have copies made at a reasonable cost;
• Be informed of types and locations of records being collected or used by the school;
• Ask for the amendment of any record if you feel it is inaccurate, misleading, or violates privacy rights;
• Request a record hearing if the school does not make the requested amendment;
• Give or withhold consent to disclose your child’s record;
• Be told to whom information has been disclosed;
• Be informed before information in your child’s file is destroyed.

NOTICE - You have the right to:
• Receive notice before the school initiates or changes (or refuses to initiate or change) the identification, evaluation or placement of your child;
• Have that notice in writing, in your native language or other principle mode of communication, at a level understandable to the general public.
• Have the notice describe the proposed action, explain why it is proposed, describe the options considered and explain why other options were rejected;
• Be notified of each evaluation procedure, test, record or report the school will use as a basis for any proposed action.

CONSENT - You have the right to:
• Give consent before an initial evaluation is conducted and before initial placement is made in special education;
• Withhold or revoke consent at any time, but the school has the right to proceed in the absence of consent to a hearing to determine if your child should be evaluated.

EVALUATION PROCEDURES - You have the right to:
• Have a full and individual evaluation of your child’s educational needs;
• Have more than one criterion used in determining an appropriate educational program for your child;
• Have the evaluation performed by a multidisciplinary team;
• Have your child assessed in all areas related to the suspected disability;
• Have a reevaluation every three years, or more frequently if the conditions warrant, or if you or the child’s teacher request it.

With these rights come certain responsibilities for parents and the school system. Both are responsible for keeping communication channels open and discussing concerns. Talk with your child’s teacher or principal if you have concerns or questions, so differences may be resolved as early as possible.

PARENT NOTICE SECTION 504 OF THE REHABILITATION ACT OF 1973

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with a disability in any program receiving federal financial assistance. In order to fulfill obligations under Section 504, the Southeast Polk Community School District has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the programs and practices of the school system. The Southeast Polk Community School District has the responsibility under Section 504 to identify and evaluate students with disabilities and, if the student is determined to be eligible under Section 504, to afford access to appropriate educational services.

If the parent or guardian disagrees with the determination made by the professional staff of the school district, she/he has a right to a hearing with an impartial hearing officer. The Family Educational Rights and Privacy Act (FERPA) also specifies rights related to educational records. This Act gives the parent or guardian the right to:
• Inspect and review his/her child’s educational records;
• Make copies of these records;
• Receive a list of individuals with access to the child’s records;
• Ask for an explanation of any item in the records;
• Ask for an amendment to any report on the grounds it is inaccurate, misleading, or violates the child’s rights; and
• Have a hearing on the issue if the school refuses to make the amendment.

If there are questions, please feel free to contact the Director of Special Education, Section 504 Coordinator for the Southeast Polk Community School District, at (515) 957-3423.

EQUAL OPPORTUNITY

NOTICE OF NON-DISCRIMINATION

It is the policy of the Southeast Polk Community School District not to illegally discriminate on the basis of race, color, national origin, gender, disability, religion, creed, age (for employment), marital status (for programs), genetic information (for employment), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact, Joseph M. Horton, Associate Superintendent, Affirmative Action Coordinator, Equity Coordinator and Title IX Coordinator, Southeast Polk District Office, 8379 NE University Ave., Pleasant Hill, IA 50327, (515) 967-4294, joseph.horton@southeastpolk.org. Inquiries or grievances may also be directed to the Iowa Civil Rights Commission, Des Moines, IA, 50319-0201, (515) 281-4294; or the U.S. Department of Education, Region VII Office of Civil Rights, 500 West Madison Street, Suite 1475, Chicago, IL 60661.

EQUAL EDUCATIONAL OPPORTUNITY

It is the policy of the Southeast Polk Community School District not to illegally discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact;

Joseph M. Horton, Associate Superintendent, Affirmative Action Coordinator, Equity Coordinator and Title IX Coordinator, Southeast Polk District Office, 8379 NE University Ave., Pleasant Hill, IA 50327, (515) 967-4294, joseph.horton@southeastpolk.org.

Inquiries or grievances may also be directed to the Iowa Civil Rights Commission, Des Moines, IA, 50319-0201, (515) 281-4294; or the U.S. Department of Education, Region VII Office of Civil Rights, 500 West Madison Street, Suite 1475, Chicago, IL 60661.

The Board requires all persons, agencies, vendors, contractors and other persons and organizations doing business with or performing services for the school district to subscribe to all applicable federal and state laws, executive orders, rules and regulations pertaining to contract compliance and equal opportunity.

GRIEVANCE PROCEDURE

Students, parents of students, employees, and applicants for employment in the school district have the right to file a formal complaint alleging discrimination. The district has policies and procedures in place to identify and investigate complaints alleging discrimination. If appropriate, the district will take steps to prevent the recurrence of discrimination and to correct its discriminatory effects on the Complainant and others.

A Complainant may attempt to resolve the problem informally by discussing the matter with a building principal or a direct supervisor. However, the Complainant has the right to end the informal process at any time and pursue the formal grievance procedures outlined below. Use of the informal or formal grievance procedure is not a prerequisite to the pursuit of other remedies. Please note that informal processes and procedures are not to be used in certain circumstances (e.g., sexual harassment and sexual assault).

Filing a Complaint

A Complainant who wishes to avail himself/herself of this grievance procedure may do so by filing a complaint with the equity coordinator(s). An alternate will be designated in the event it is claimed that the equity coordinator or superintendent committed the alleged discrimination or some other conflict of interest exists. Complaints shall be filed within 180 days of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence. The Complainant will state the nature of the complaint and the remedy requested. The equity coordinator(s) shall assist the Complainant as needed.

Investigation

Within 15 working days, the equity coordinator will begin the investigation of the complaint or appoint a qualified person to undertake the investigation (hereinafter “equity coordinator”). If the Complainant is under 18 years of age, the equity coordinator shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. The complaint and identity of the Complainant, Respondent, or witnesses will only be disclosed as reasonably necessary in connection with the investigation or as required by law or policy. The investigation may include, but is not limited to the following:
• A request for the Complainant to provide a written statement regarding the nature of the complaint;
• A request for the individual named in the complaint to provide a written statement;
• A request for witnesses identified during the course of the investigation to provide a written statement;
• Interviews of the Complainant, Respondent, or witnesses;
• An opportunity to present witnesses or other relevant information; and
• Review and collection of documentation or information deemed relevant to the investigation.

Within 60 working days, the equity coordinator shall complete the investigation and issue a report with respect to the findings.

The equity coordinator shall notify the Complainant and Respondent of the decision within 5 working days of completing the written report. Notification shall be by U.S. mail, first class.

**Decision and Appeal**

The complaint is closed after the equity coordinator has issued the report, unless within 10 working days after receiving the decision, either party appeals the decision to the superintendent by making a written request detailing why he/she believes the decision should be reconsidered. The equity coordinator shall promptly forward all materials relative to the complaint and appeal to the superintendent. Within 30 working days, the superintendent shall affirm, reverse, amend the decision, or direct the equity coordinator to gather additional information. The superintendent shall notify the Complainant, Respondent, and the equity coordinator of the decision within 5 working days of the decision. Notification shall be by U.S. mail, first class.

The decision of the superintendent shall be final.

The decision of the superintendent in no way prejudices a party from seeking redress through state or federal agencies as provided by in law.

**DISTRIBUTION AND PROCEDURES**

**SCHOOL ABSENCE**

Being absent from school is sometimes necessary. Students should not attend school if they are ill, for example, because others may be exposed to that illness. When students are absent, parents should call the school to explain the absence by 8:30 a.m. for children enrolled in the morning session, and by 12:30 p.m. for those enrolled in the afternoon session.

**LEAVING SCHOOL EARLY**

Students who need to leave school must be excused from the office. Parents who wish to have a child excused during the day should call first to make arrangements, then stop by the office to sign out the child. This regulation is for the safety of your child. If a child is to leave school with someone other than parents, a note or call is necessary. All dismissals are made from the office.
TRANSFERS OUT OF DISTRICT

Whenever a student is planning to move from the Southeast Polk School District to another school district, the following procedure will be followed. We ask that parents give advance notice in order for us to prepare records and attendance. Please contact your child’s teacher and building secretary. The building will notify the district registrar of your transfer out of district.

When students leave Southeast Polk Community School District, educational records will be sent to requesting schools in which students seek to enroll. Parents have the right to review the child’s records prior to those records being sent to the receiving school.

SCHOOL VISITATION

Parents and legal guardians are always welcome to visit our schools. Visitations during the two weeks at the beginning and end of the school year are usually not as rewarding as at other times of the school year. It is requested that younger brothers or sisters not be brought to visit, as they distract the class from a normal routine. As a courtesy to the teacher, please call ahead to find out the best time for the visit. Youngsters from other schools may not visit and spend the day at school. Visitors to the building must stop in the office to sign in and obtain a visitors’ pass.

FIRE AND TORNADO DRILLS

Fire drills and tornado drills are practiced monthly in preschool classrooms in accordance with Iowa Quality Preschool Program Standards.

WEATHER AND EMERGENCIES

In event of any emergency such as storms, bad roads, power or heating failure, water system failure, or other emergency, the following policies will be followed:

If school is cancelled due to weather, road conditions, or other emergency, radio stations and local TV stations will broadcast the information. Every effort will be made to get this information on the air by 6:35 a.m. Other early closing or emergency information will also be broadcast. To get an updated recording of the school schedule information, call the District Office at 967-4294. When the menu starts, press “6” for the recording. If the receptionist answers, ask to be connected to the school closing information line.

Overnight snowstorms or heavy morning fog may cause an hour or more delay in opening school. This will also be announced on the radio. The purpose of this delay is to provide more time for snow removal, or fog to clear, and allow extra time for school staff to arrive during difficult driving conditions. When school is delayed in the morning, there will be no morning preschool session. When school is dismissed early, there will be no afternoon preschool session.

PRESCHOOL STUDENTS WITH AN IEP ONLY AND MITCHELLVILLE BUS STUDENTS WHO QUALIFY:

If school is in session and an emergency occurs, the school will deliver all children home as soon as possible after the emergency arises.

Unless the school is notified to the contrary, we will follow parent instructions on the registration sheet regarding early dismissals.

Parents are requested not to call the school so that our phone lines will be open to issue and receive information regarding the emergency.
