

2025 Jr. High Strength & Conditioning

June 2-July 17
5:30-6:45 pm

SEP High School Gym, Fitness Center and Multipurpose Area

Athletes entering 7th and 8th grade this fall

Sessions will be *Monday thru Thursday*
5:30 - 6:45 pm at the high school.

The sessions are **FREE** and are designed
exclusively for junior high athletes.

We will focus on improving our athletes'
skills in the areas of strength, speed,
flexibility, coordination, and endurance.
Junior high strength and conditioning will
prepare young athletes with the skills,
concepts, and basic knowledge they need
to excel in our high school strength and
conditioning program.

Attendance is not mandatory; however, it
is highly recommended that athletes
attend at least three sessions per week.
There is a direct correlation between
athletes who have strong attendance
during the summer strength and
conditioning sessions and athletes who
excel on the field in their particular sport.
