**Athletic Report:** Baseball/softball improvements are moving forward with the good weather; the last things to be installed will be the lights and scoreboards. Baseball & softball is also self-funding their retractable netting in Spring Creek; it was supposed to be done in December but was delayed - hopefully will be done any time now. Golf has also taken a locker room at Spring Creek and installed a big putting surface for year-round practice.

We host Girls Regional wrestling on February 3. Girls state wrestling starts February 5.

Not a lot of home events in December but we're making up for it with activities in January.
