Social Media: We may be looking into getting help from a high school student to help the booster club with posting to the social media accounts.

New Business: Charley presented a bid from Musco for main gym improvements that came in at a total of \$810,800.00

The booster club presented a motion to approve a piece of this bid that includes the video board for the pool area at around \$60,000.

This was approved with the caveat:

The district pays \$10,000.00, the athletics department pays \$10,000.00, the boosters pay \$20,000.00 for 2026. The district would provide the additional \$20,000.00 with the agreement that the booster club will repay the district in 2 installments of \$10,000 each over the next 2 years.

The secretary board position and the social media board position will have open spots in June. Please reach out to the Booster club if you are interested in filling a spot.
