## Am I Guaranteed a Seat on Alaska Airlines?

Alaska Airlines can not guarantee you a seat. It completely depends on the seat availability. However, you can get your favourite seat if you book as early as possible. The airline may or may not ask for a fee based on your ticket conditions. Therefore, cooperate with the airline representative.

## How to Select a Seat on Alaska Airlines?

- Alaska Airlines allows you to pick a seat through its website, app or by connecting with its agent. Go through the information below for more details.
- Visit Alaska Airlines official website.
- Scroll to “Manage my Bookings” section.
- Then, enter your login details to access your account.
- Further, click on flight for which you need seat selection.
- A seat map will appear on the screen.
- Additionally, please select from the available seats.
- Next, make a payment and receive the booking confirmation in your email.

If you find any difficulty selecting a seat on Alaska Airlines, then you can contact its agent as well. Further, the person will get you a perfect corner on the aircraft after understanding your requirement. Therefore, cooperate with the agent and receive seat selection information on your reservation.

## Does Alaska Airlines Charge a Seat Selection Fee?

Alaska Airlines usually does not charge for seat selection. However, if you have a Basic Economy ticket, then you may need to pay for seat selection. In all other fare classes, the seat selection is complimentary. Therefore, choose the premium fare class if you want a seat for free. However, if you do not mind paying for a seat, then go for Basic Economy fare.

## What if I do not Select a Seat for Alaska Airlines Flight?

You will still get a seat even if you do not choose one in advance. Alaska Airlines representative will assign you a random seat based on availability. The airline does not charge anything for that, even if you have a Basic Economy fare. So, use this option if you are a budget traveler, as you can save on seating costs.

## Conclusion

Alaska Airlines lets you pick a seat for free unless you have a Basic Economy ticket. Therefore, you can select a seat while making a reservation, after booking, or during check-in for your next Alaska Airlines flight. The above includes the process to make seat selection.

Therefore, check it properly. Either pick the seat by visiting the Alaska Airlines website or call its representative. You can ask **Alaska Airlines representative** at **+1-802-231-1806** any question regarding seat selection.
